Hi Rolling Knolls Project Team,

Please see the following email and attachments with FS revisions and responses to our comments. Please check to see if your comments were adequately addressed and if the revisions are acceptable. We are working towards getting the Proposed Plan issued soon, so we would like to finalize the FS ASAP. If at all possible, **please let me know if the revisions and responses are okay no later than August 10<sup>th</sup>**.

Thanks and please contact me with any questions. - Betsy

**Subject:** Rolling Knolls - revised draft FS Report

Betsy, Supinder, and Stephanie - the revised draft Feasibility Study Report for Rolling Knolls is attached for your review. This email includes:

- The revised text, with changes in red-line/strike-out;
- Revised Figure 1-2 (shows lay down area);
- Revised Figure 6-2 (shows the location where the blue-spotted salamander was observed);
- Revised Tables 6-1 and 7-1 (show the new scoring where all scores are in words, not numbers); and
- Responses to USEPA and NJDEP comments.

Please let me know if you have any questions.
